

OHSU Knight Cancer Institute and Clatsop County Public Health are looking for community members to lead weekly walking programs!

In partnership with the OHSU Knight Cancer Institute and Clatsop County Public Health we are seeking individuals who want to help us lead a community based walking program for cancer survivors, friends and family. Step It Up! Survivors Clatsop County is a weekly walking program for cancer survivors and their friends and family that aims to reduce the burden of cancer across Oregon. We need engaged and committed persons to lead weekly walking groups in your community. Walks will be approximately 30 minutes in length and once a week for five months. Walking programs start in April 2018!

We are looking for walking group leaders with the following characteristics:

- ✓ Enjoy walking and/or other physical activity
- ✓ A resident of the community
- ✓ Familiar with community walking routes
- ✓ Punctual
- ✓ Motivating
- ✓ Committed to safety – CPR and basic first aid training preferred
- ✓ Dedicated and committed to the ideals of the walking program
- ✓ 6-month commitment to the position
